

2007 D.A.R.E. INTERNATIONAL TRAINING CONFERENCE

The 2000 and 2004 Annual D.A.R.E. International Training Conferences were held in Nashville, Tennessee. The conferences were extremely successful and enjoyed so much by attendees, that by popular demand we are returning to Nashville in 2007. If the 2007 Annual D.A.R.E. International Training Conference will be your first or your 20th D.A.R.E. conference, start planning now. This extraordinary training conference and the fantastic setting of Nashville combine for what will be an unparalleled event.

July 17-19, 2007

PROPOSED CONFERENCE WORKSHOPS

The Annual D.A.R.E. International Training Conference is in fact a training conference, the heart of which are the workshops and seminars presented. Each workshop and seminar is specifically designed for the advantage of conference participants. Those who would benefit from workshop attendance include:

D.A.R.E. Instructors

D.A.R.E. Classroom Educators

GREAT Officers

School Resource Officers

School Police Officers

All persons responsible for student and school campus safety and security

As in past years all D.A.R.E. International Training Conference workshops and seminars will be POST approved. For the benefit of conference attendees, workshop participation is monitored and documented.

Many workshops and seminars are being considered for presentation during the 2007 D.A.R.E. International Training Conference, among these are:

Abuses and Uses of Technology
Accommodating the Classroom for Students with Disabilities
Addiction as a Brain Disease: Research & Practice
